SERIA CORPORATION
SERIA ENGINEERING, INC.

Subject: Notice of Service Termination for Machine Delivered Over 25 Years Ago

Dear Valued Customers,

Thank you very much for your continued trust in our products and services.

We would like to inform you regarding the discontinuation of maintenance support for our products, which you have kindly used and supported over many years.

While we have continuously strived to provide maintenance services in response to your long-standing patronage, due to circumstances such as the end of parts production and difficulties in supply, we will be ending maintenance services for equipment that has been in use for 25 years or more, effective **September 30, 2025**.

We sincerely appreciate your continued support to date, and kindly ask you to consider our successor models for your future needs.

Applicable Machines:

1. All SERIA models that have been in service for 25 years or more.

Note: This year, equipment manufactured before 1999 is subject to this policy. Going forward, the applicable models will be updated annually based on the manufacturing year.

2. All SSP-***S Series and SSP-***AN Series Swing-Type Printing Machines (including those manufactured from the year 2000 onward).
3. All Table Slide Printing Machines of the SSA-PC750A, SSA-PC610A, SSA-P605A series, and SSA-PC610AN series (including those manufactured from the year 2000 onward).
4. SSA-PC605IP, SSA-PC760IP and others, cam and chain-driven table slide printing machines equipped with cameras (including those manufactured from the year 2000 onward).
5. SFA Series (Fully Automatic Printing Machines) manufactured from the year 2000 onward, equipped with Yaskawa Electric servo motors

We sincerely appreciate your continued support of our products and look forward to serving you in the future.
